

**Status Update Part Two:
Do you honor God with your worship?
Malachi 1:6 – 2:9**

“God does not delight in fast food spirituality. This is a spiritual occasion, which must be marked by mystery and wonder. And you cannot rush into wonder.” **Matt Redman**

Making out of worship:

Downsized	Right Sized
Unprepared	Ready
Distracted	Focused
Wrong Focus	Anticipating
Empty-handed	Fit for a King

“What did God think of my worship today?”

"He is easy to please but hard to satisfy -- the smallest offering of an honest heart will bring him pleasure, yet he also has an insatiable desire to see us live out lives of the utmost holiness." **Matt Redman**
